Dear Sir:

Reference is made to the petition for naturalization number 3426 filed in your court on April 8, 1958 by Naoe Kaneko White. The records of this office show that at the time of the filing of the petition the examiner continued it because of the need for depositions and also because of her limited knowledge of the history and the government of the United States. Kindly advise this office whether you have the required depositions on file in support of her petition. Also advise regarding the present address of the petitioner.

Reply by return mail will be very much appreciated.

Very truly yours,
